PERSONAL FAVORITES THE CHEFS OF LAS VEGAS

Personal Favorites: The Chefs of Las Vegas provides as no other book does an extensively illustrated behind-the-scenes journey into a culinary scene that’s becoming, in true Sin City fashion, one of the world’s most exciting. There are cookbooks and there are biographies, but rarely are the two combined as they are in this book.

Within the pages of *Personal Favorites* readers learn about one dozen of the city’s top restaurants and the philosophies, missions and little-known (and often fascinating) personal histories of the people who run them.

And for those who can’t get to Las Vegas as often as they’d like — or are searching for a little inspiration — the book provides a selection of the chefs’ favorite recipes, each accompanied by a color photograph.

Personal Favorites: The Chefs of Las Vegas is among Las Vegas’ best bets.

- “Coffee-table” book with many beautiful photographs showing food preparation, presentation, and the mysteries behind the kitchen doors of these fine restaurants.
- Newspaper advertising, website, media interviews, IPPY Finalist 2005.
